June 2026

Resident Spotlight

Richard Avery was born in a small town in southern Illinois. At the age of 17, he enlisted in the U.S. Army and, after completing basic training, was stationed in Germany in 1960. In 1962, he met his future wife, Hannelore, and the couple married the following year. Their first son was born in 1964.

Mr. Avery returned to Germany in 1965, where their second son was born shortly thereafter. In 1968, he returned to the United States, and in 1969, the couple welcomed their third child, a daughter. In 1970, he was deployed to Vietnam.

After a distinguished military career, Mr. Avery retired from the Army in 1984. The following year, he began working for the State of Texas as a correctional officer, a role he held until his retirement in 2004.

In June of 2022, Mr. Avery and his wife relocated to Morada. In his leisure time he loves goofing off with his beloved 12-year-old dog, Buddy, enjoys fishing, and cheering on the St. Louis Cardinals and Dallas Cowboys.

Honoring Old Glory

In 1916, President Woodrow Wilson officially established June 14 as Flag Day. It honors the day in 1777 when the first version of the flag, featuring 13 stars and 13 stripes, was adopted as the nation's official flag.
